Handwriting Remediation Clinics for students aged seven years and older (2nd grade and up)

One on one clinics, sixty minutes per session. Programs are eight to ten sessions in length.

1. Print Remediation: \$550
2. Lower Case and Upper Case Cursive - Handwriting Without Tears[®] is used for students in grades 2-4; Cursive Logic[®] is for students 4th grade and up. Six to ten sessions from \$300-\$550
3. Speed Up![®] Handwriting Fluency Program. Eight sessions \$400

Keyboarding Clinic

A one-on-one clinic, 30 minute sessions. Ten sessions are \$300, which includes a Keyboarding Without Tears[®] license for one year.

Assistive Technology

Talk to us about training in Assistive Technology, such as text-to-speech to aid reading, as well as how to make effective use of speech-to-text software.

Our Tutors

Lorna is a certified Orton-Gillingham Tutor and Handwriting Specialist. Phil, an industrial engineer, adds a science perspective to his O-G tutoring and handwriting remediation.
